

.....this gentleman's voice is one of the best I've ever heard in country music – local or national, for that matter – and I can't recommend him enough.” - Lucky Clark-Compact Discussions, Maine Sentinel

Tim Barrett

.....is an award winning singer songwriter who has performed for a wide variety of audiences at fairs, nightclubs, corporate functions and private parties.

One of Tim's specialties though, is performing for senior centers, nursing homes and assisted living facilities.

Performing solo with his guitar he does a mixture of older country songs, which usually has the audience singing along as well as some original material.

Tim has released five albums, most recent being “Unspoken Words”. He has charted records Nationally and appeared on the Nashville Network.
